

COMMUNITY CONTRIBUTION ANIMAL VOLUNTEER --- HONG KONG DOG RESCUE

Ravia always uphold our principle of contributing to local communities through supporting different charities. Animal Cruelty has become more often in recent days in Hong Kong, shocking animal abuse cases were revealed one after another. In addition, a new wave of immigration has deteriorated the number of animal abandonments.

Ravia believes in "Adoption instead of purchase". To support local animal organisations and to save more homeless animals, Ravia has joined a volunteer event held by Hong Kong Dog Rescue (HKDR) on 4th June 2021. Through the event we have a better understanding of the harshness faced by abandoned animals, and have seen these animal's toughness to survive in severe living conditions.

Guided by HKDR's volunteer instructors, we joined other volunteers and participated in their routine dog-walking as well as routine cleaning.

HKDR aims to save homeless or unwanted dogs and puppies from Animal Management Centres run by Agriculture, Fisheries and Conservation Department (AFCD) of Hong Kong Government. The organisation is caring over a hundred of dogs and puppies in its Homing Centres. These innocent dogs and puppies are waiting for their new home in the Homing Centre.
